Bonus Terms and Conditions

EXNESS B.V. (Central Bank of Curaçao and Sint Maarten License Number 0003LSI),
Emancipatie Boulevard Dominico F. "Don" Martina 31, Curaçao

The Company reserves the right to offer various Bonus Programs (the "Bonus Programs") to its Clients from time to time. These Bonus Programs may be limited to only certain jurisdictions or countries, specific account types, or based on other criteria. Thus, you should always refer back to this document, which stipulates the general terms and conditions applicable to all of the Bonus Programs offered by the Company, as well as the special conditions and characteristics of certain Bonus Programs. The term Bonus(es) may be used interchangeably in both the legal documentation as well as within the interfaces of the Company.

1. These Terms and Conditions apply to Exness B.V. ("the Company") and its Clients (legal entities or individuals) who have active trading accounts and have been granted a Bonus (hereinafter "the Client" or "you").

2. Read these Terms and Conditions carefully before registering for any Bonus Programs or accepting any Bonus offered by the Company, and be sure that you agree with them. These Terms and Conditions may be amended in the same way as the Company's Client Agreement, found at www.exness.com.

3. The Company offers various types of Bonus Programs from time to time. Each of them has different characteristics, criteria, and requirements that must be met in order for you to qualify for a Bonus. We strongly recommend that you read the characteristics of each Bonus and make sure you understand and agree with them. The Bonus Programs are not mandatory. They are optional, and you can request to disable this service anytime.

4. The Company reserves the right to determine the list of countries participating in Bonus Programs. Thus, not all Bonus Programs may be available to some countries, and some countries may not have any Bonus Programs available to them.

5. The decision to grant a Bonus to a Client is at the Company's sole discretion. For specific Bonus Programs offered by the Company, the Bonus is granted to selected clients in the form of direct deposit to the trading account.

6. Once a Bonus has been granted, the Client may use it for trading in accordance with the Company's Client Agreement. Once the Bonus has been granted as a Cash Bonus, the client may use it for trading or withdraw it in accordance with the Client Agreement. Profits made after trading with the Bonus can be withdrawn.

7. The Company reserves the right to close the Client's trades if there are no funds available for withdrawal in the Trading Account (i.e. only the Bonus is left in the Trading Account).

8. The Company reserves the right to cancel the opening of new positions if there are no funds available for withdrawal in the Trading Account (i.e. only the Bonus is left in the Trading Account).

9. The Bonus may not be transferred to any other Trading Account except in specific cases determined by the Company and after notification of the Client. Without prejudice to the preceding, the Company may, when the client is participating in the Cash Bonus, permit the client to transfer Bonus between his/her trading accounts within his Personal Area.

10. If you have several Trading Accounts with the Company, each Trading Account shall be treated separately. Thus, you may receive a Bonus in each of them if the conditions for receiving the Bonus are satisfied for each Account. The relevant Bonus will be credited to the specific Trading Account participating in a specific Bonus.

11. The Bonus is credited in the Base Currency of the Trading Account.

12. Subject to the Client's participation in certain Bonus Programs, which shall be designated and communicated to the Client by the Company from time to time, the Client acknowledges and agrees that it is not permitted to withdraw the total balance of funds from the Client's trading account and continue trading solely with the bonus funds awarded under the terms of the Bonus Programs. The Client shall maintain a minimum balance of funds in the trading account, as may be specified by the Company for each Bonus, in order to utilize the Bonus for trading purposes. Withdrawal of funds by the Client that results in the Trading Account balance falling below the specified minimum balance will lead to an automatic deduction of the Bonus from the Trading Account.

13. Notwithstanding the foregoing, the Company reserves the right, at its sole discretion, to require the Client to execute a separate waiver, release, or other document ("Bonus Document") as a condition precedent to the granting, accrual, or receipt of any such Bonus.

Withdrawal of the Bonus and Cancellation of Bonus Programs

13. Bonus funds can be deducted from the Trading Account at any time without prior notification of the Client, at the Company's sole discretion.

14. The Company reserves the right at its sole discretion to cancel Bonus Programs and deduct the bonus that have been granted, without cause or prior notification of the Client.

15. The Company reserves the right to cancel Bonus Programs and/or deduct Bonuses that have been granted and/or close the Client's Account, if the Company believes that the Client has abused any of the Company's offers, breached the Client Agreement, or is in Default as per the Client Agreement.

16. The Company further reserves the right to disqualify the Client from the Bonus Program for any of the following reasons (non-exhaustive list):

a. Violation of any laws and/or applicable regulations and/or the current Terms and Conditions or any other terms and conditions of Exness including without limitation Client Agreement and

Partnership Agreement;

- b. Incomplete or incorrect or fraudulent details of the Client during the registration process for this campaign;
- c. The Client does not fulfill the General Conditions and/or the Specific Conditions for participation in the specific Bonus Program;
- d. The Client acts in bad faith and/or abusively, and/or fraudulently, and/or in a manner not in line with the Bonus Program;
- e. More than one (1) Client has submitted the same residential address and/or email, and/or Personal Area;
- f. The Client is an employee of Exness or its affiliated companies or an immediate relative;
- g. Collusion among Clients;
- h. The Client uses or has used software to alter or hide their actual IP address;
- i. A single Client is using several IP addresses to participate in the Bonus Program, or several clients are using the same IP address.

17. Without prejudice to paragraph 14 above, limits may be imposed on the period in which Bonuses that have been granted must be used to avoid expiration.

Calculation of Bonus

18. Under some Bonus Programs offered by the Company, the amount of Bonus that may be credited to the Client's trading account is determined at the Company's sole discretion. In such Bonus Programs, if the Bonus is not used (no trades performed using the bonus) before the expiration date, it will be annulled and debited from the Trading Account upon its expiration. On the contrary, and without prejudice to paragraphs 14 and 16 above, if the Bonus is used (at least one trade is performed using the Bonus) before the expiration date, it will remain on the Trading Account for an indefinite period of time until it is fully replenished.

Severability

19. If any part of these Terms and Conditions should be held by any Court of competent jurisdiction and regarded as unenforceable or illegal or in contravention to any rule, regulation, or law of any market or regulator, that part shall be deemed to have been excluded from these Terms and Conditions from the beginning, and these Terms and Conditions shall be interpreted and enforced as though the provision had never been included. The legality and enforceability of the remaining provisions of these Terms and Conditions or the legality, validity, and enforceability of this provision relative to the law and/or regulations of any other jurisdiction, shall not be affected.

Law and Jurisdiction

20. All disputes and controversies arising out of or in connection with these Terms and Conditions shall be finally settled in the same jurisdiction as per the Client Agreement.

21. These Terms and Conditions are governed by the Laws of the same jurisdiction as per the Client Agreement.

Complaints

22. You may send complaints via support@exness.com.

Warning

23. The Bonus gives you extra trading leverage. Nevertheless, we recommend that you exercise caution when trading with Bonus leverage. The Bonus may be attractive, but we warn you that there is a risk of loss. Your trading orders and invested capital may experience both profits and losses.

24. These Terms and Conditions are made in English. Any other language translation is provided as a convenience only. In the case of any inconsistency or discrepancy between the original English text and its translation into any other language, as the case may be, the original version shall prevail.

*Please note that the Bonus is calculated in USD and then converted to the Client's account currency.
